ARMED MANAGEMENT SERVICES LLP

RELIABLE | PRACTICAL | EFFICIENT

Integrated Oil & Gas Operations, Maintenance & Technical Support Solutions

Armed Management Services LLP is a trusted and experienced service provider in the oil and gas sector, delivering reliable, safe, and cost-effective solutions for over 25 years. We specialize in operations, maintenance, engineering, manpower, logistics, and technical services for upstream and downstream industries.

Our strong operational expertise, technical workforce, and commitment to safety and quality have enabled us to support leading oil and energy organizations across India.

Vision

To become a leading integrated service provider in the oil and gas industry, recognized for operational excellence, safety, innovation, and long-term partnerships with energy sector clients.

Mission

- Deliver reliable and efficient operational support to oil and gas companies
- Ensure safety, compliance, and environmental responsibility in every project
- Provide skilled manpower and technical expertise to enhance productivity
- Build long-term partnerships through trust, transparency, and performance
- Continuously upgrade technology, processes, and workforce capabilities

Core Values

Safety First

Zero harm to people, assets, and environment

Reliability

Consistent and dependable service delivery

Integrity

Ethical and transparent business practices

Innovation

Continuous improvement and modernization

Quality Excellence

Commitment to international standards

Customer Focus

Client-centric solutions and responsiveness

Our Key Services

Operations & Maintenance

Plant and facility O&M

Well maintenance and production support

Workover and drilling rig operations

Air and gas compressor operations

Preventive and breakdown maintenance

Engineering & Technical Support

- Project engineering and supervision
- Mechanical, electrical, and instrumentation services
- Shutdown and turnaround support
- Technical consultancy and field support

Manpower Services

- Skilled and unskilled workforce
- Engineers, supervisors, operators
- Technical and non-technical manpower
- Contract staffing and workforce management

Supply, Installation, Testing & Commissioning

Oilfield equipment

Compressor and plant systems

Electrical and mechanical installation

Commissioning and performance validation

Security Services

- Industrial and oilfield security
- Asset protection and risk mitigation
- Trained and certified security personnel

Logistics & Transportation

- Vehicle fleet services
- Field transportation
- Oilfield logistics support
- Material handling and site coordination

Equipment Rental & Supply

- DG sets
- Air compressors
- Oilfield support equipment
- Customized rental solutions

Business Consultancy Services

- Project feasibility studies
- DPR (Detailed Project Report) preparation
- Tender & contract management support
- Vendor development & evaluation
- Compliance and regulatory documentation
- Operational cost optimization
- Process improvement & productivity enhancement
- Risk assessment & mitigation planning
- Asset lifecycle planning

Why Choose Armed Management Services LLP

- ✔ 25+ Years of Industry Experience
- ✔ Proven Track Record with Major Oil Companies
- ✔ Highly Skilled Technical Workforce
- ✔ Strong Safety Culture
- ✔ Cost-effective & Flexible Solutions
- ✔ Rapid Mobilization Capability
- ✔ Compliance with Industry Standards

Core Competencies

Rig and well operations

Logistics and transportation

Compressor and plant O&M

Security and facility management

Skilled manpower deployment

Installation and commissioning

Equipment supply and rental

Differentiators

- Integrated service approach
- Multi-disciplinary workforce
- Strong project execution
- Client-focused solutions
- Safety and compliance-driven operations

Industry Segments

- Upstream Oil & Gas • Drilling & Workover
- Production & Field Operations • Gas Compression & Processing
- Refinery & Pipeline Support

OUR PRESTIGIOUS ASSIGNMENTS

1. Study client requirements
2. Prepare technical & operational plan
3. Deploy qualified manpower & systems
4. Continuous monitoring & reporting
5. Optimize performance & cost

Commitment to Safety & Quality

We operate under strict adherence to:

- Industrial safety standards
- PPE compliance
- Work permit systems
- Incident reporting protocols
- Continuous training programs
- Preventive maintenance culture

Target Clients

NOTES / REMARKS

[illegible]

ARMED SECURITY

This image shows a full-page view of a document template. It consists of approximately 28 horizontal dashed lines spaced evenly down the page, intended for handwritten notes or answers. The background is plain white. In the bottom right corner, there is a logo for 'ARMED SECURITY'. The logo features a stylized graphic of two wings or a shield-like shape in shades of blue and grey. Below this graphic, the words 'ARMED SECURITY' are printed in a bold, blue, sans-serif font. Directly above the logo, the Hindi phrase '॥ अभय है ॥ अभय है ॥' is written in a black, serif font.
